

Skype for Business – Sign in

Type Sign-in address ([Firstname.Lastname@usn.no](#)) and FEIDE-password, and then click **“Sign In”**.

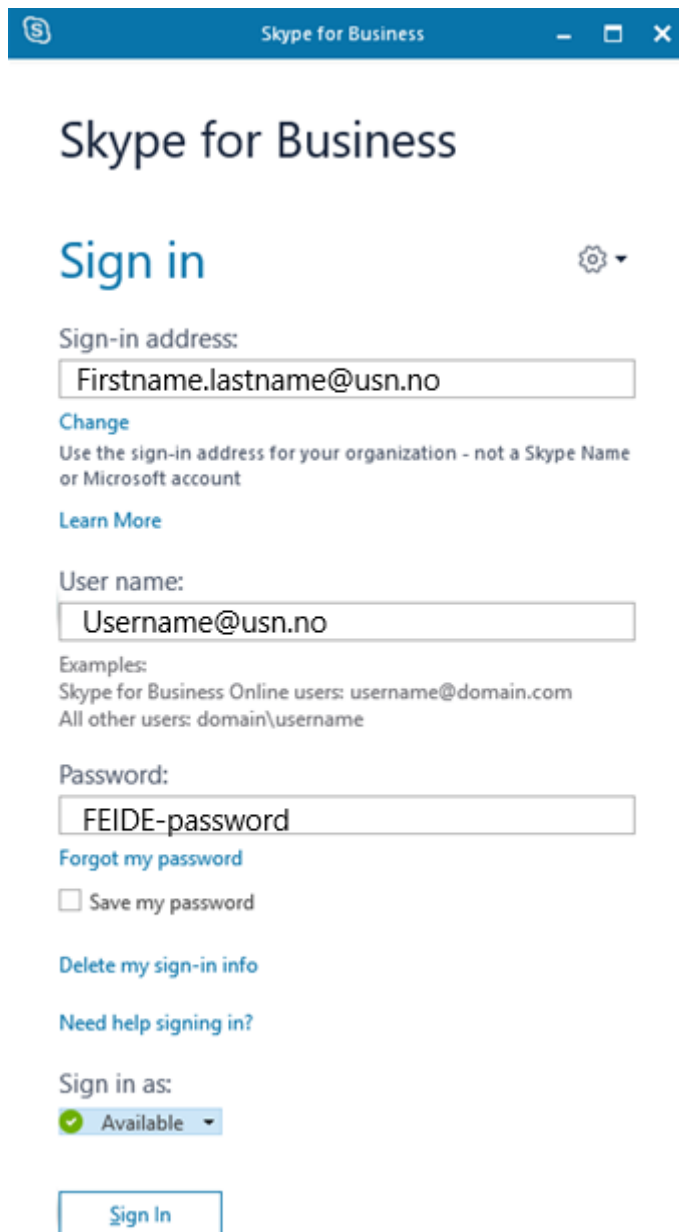

The screenshot shows the Skype for Business sign-in interface. At the top, the title bar reads "Skype for Business" with standard window controls. The main heading is "Skype for Business" followed by "Sign in" and a settings gear icon. The "Sign-in address:" field contains "Firstname.Lastname@usn.no" with a "Change" link below it. A note states: "Use the sign-in address for your organization - not a Skype Name or Microsoft account" with a "Learn More" link. The "Password:" field contains "FEIDE-password" and a checked "Save my password" checkbox. The "Sign in as:" dropdown menu is set to "Available". A "Sign In" button is located at the bottom.

If you get this error message, click OK.

Then type in [username@usn.no](#) in the new **User name** textbox that appears.
