

**Congratulations on getting
admitted to**

**Master in
Ecology and Environmental
Management**

Welcome to USN and campus Bø!

We look very much forward to meeting you!

Dear student,

First of all, warm congratulations on beginning your master's degree in Ecology and Environmental Management! You are embarking on an exciting academic journey, and we are delighted to welcome you to our program. We will do our very best to ensure that your time with us is not only academically productive, but also inspiring and personally rewarding. We hope you will form lasting friendships and feel at home in Bø, both on campus and in the local community.

The program combines mandatory and elective courses with hands-on research activities, culminating in the completion of your master's thesis.

We hope that both the academic challenges and the social experiences you encounter here will motivate you, broaden your perspectives, and prepare you for a meaningful career or further studies within ecology and environmental management.

Online introductory meeting – 15 June at 13:00 (1 pm)

We are hosting an online Teams meeting where we will introduce the master's program and give you the opportunity to meet key staff:

- **Mona Sæbø Støren**, Program Coordinator
- **Maria Norheim**, Student Advisor

Further details and a meeting link will be shared in advance.

Important dates in August

Semester start is **Monday the 10th**.

The orientation meeting will take place on **the 10th. The time and room will be announced later.**
